THE POWER OF COLLABORATION SM

Today's credit union enjoys
a reputation of sophistication
and excellence in the
financial services arena.

CBS has built a reputation for delivering the highest level of service to its credit unions and for offering extremely competitive commercial financing to small businesses. With business loans typically up to \$7,500,000, serving our clientele and helping them meet the challenges of a changing economy is our top priority.

CBS provides business lending services to over 75 credit unions across 10 states with an aggregate asset size of over \$16 billion. CBS is headquartered in Cincinnati, Ohio, with additional loan production offices located in the Ohio cities of Toledo, Columbus, Cleveland, as well as Lexington, Kentucky and Charleston, West Virginia.
